

KOHLER brings the future, launches the 'Karing Integrated Toilet'

-Bring cutting edge design with state of the art technology into your bathroom

New Delhi, December 08, 2014: KOHLER, a global leader in kitchen and bath design, is all set to create a stir in the bathroom category with its latest launch the '**Karing Integrated Toilet**'. This is yet another milestone for the company in its endeavour to introduce the most innovative and bold products in the Indian market. Karing was unveiled on 5th December in Delhi by **Mr. David Kohler, President & COO Kohler Co.**

The 'Karing Integrated Toilet' incorporates cutting-edge design with state-of-the-art functions to ensure ultimate hygiene. A perfect combination of design and technology, Karing blends seamlessly into the bathroom to complement various bathroom styles. With futuristic smooth edges inspired by a stone that has been shaped by water, Karing isn't just an update; it's the future.

David Kohler, President and Chief Operating Officer, Kohler Co., said "*Karing Integrated Toilet reflects the best of Kohler's technology and design prowess and offers a whole new luxury experience to the Indian consumer. It is truly a BOLD statement from our portfolio.*"

This latest innovation features an automatic flush, motion activated seat cover that opens as one approaches, along with ambient lighting which activates in the dark. Equipped with a self-cleaning wand, an ergonomically designed French curve anti-microbial seat, advanced bidet

features, a deodorizer and an integrated dryer with three temperature settings, it surely has one of the most advanced and comfortable bidet seats.

Salil Sadanandan, Managing Director, KOHLER Kitchen and Bath, India said *“Kohler continues to be the trendsetter in the luxury bathroom space. Karing has been designed basis feedback from leading architects and designers and is the answer for consumers for whom their bathroom is a style statement.”*

Karing will premier in India at a price of INR 3.65 lakh and above and will be available at all leading Kohler outlets.

Kohler India

KOHLER launched its innovative range of bathroom products including toilets, lavatories, faucets, bathtubs, whirlpools and showers in India in May 2006. With its business headquarters based in Gurgaon, Haryana, Kohler India is expanding its operations across the country.

About Kohler

Founded in 1873 and headquartered in Kohler, Wisconsin, in the United States, Kohler Co. is one of America's oldest and largest privately held companies.
