

Kohler offers a new high in comfort and hygiene with the Pureclean bidet seats

With this launch Kohler strengthens the bidet segment in India

New Delhi, September 16, 2014: Redefining luxury and reinforcing hygiene in the bathroom segment, **Kohler**, the global leader in kitchen and bath design, has yet again launched a differentiated product – the **Pureclean bidet seat**. Marked by cutting-edge design and superlative build quality, this latest offering provides utmost hygiene in a comfortable manner for the entire family.

Pureclean has a **retractable wand**, an **adjustable front and rear wash**, **water pressure control**, a **non-corrosive body** and **single easy-to-use lever** to control functions. An easy installation, Pureclean bidet seats perfectly fits on a variety of toilets and it comes in three shapes to fit different bowls and it can easily fit without changing the bowl. The ergonomically designed lever is very convenient to use. By simply twisting the handle to the right, the water flow can be controlled. By moving it downwards, the position of the spray can be adjusted between rear & front wash. Further, the seat is **easy to remove**, allowing for **ease in cleaning**. The **retractable wand cleans itself with excess water after every use**, thereby ensuring a hygienic experience for every member of the family,

especially women & children. The gentle cleansing offered by Pureclean helps kids clean themselves more thoroughly and promotes awareness of the benefits of cleanliness; so concerned mothers can now stop worrying about their kids being in dirty, unclean bathrooms!

Commenting on the launch of Pureclean, Mr. Salil Sadanandan, Managing Director, Kohler Kitchen and Bath, India said, *"We are excited to announce the launch of Pureclean bidet seats- a revolutionary product with the potential to change the habits of the Indian consumer. At Kohler, we focus our efforts on designing products that enhance the lives of the customers, thus reinstating the spirit of 'Gracious Living' in everything that we do. The launch of Pureclean is to further our endeavour of delighting customers with luxurious and hygienic solutions for their bathware needs."*

With a strong focus on ease of utility, this bidet seat does not require any electrical supply, but only needs direct water supply to provide an invigorating wash. It also helps in keeping the bathroom dry and clean, by reducing chances of water spillage. Pureclean is available at Rs. 6999 across all Kohler outlets.
