

KOHLER LAUNCHES ITS FIRST TECH CENTRE IN INDIA

Gujarat, 12 July 2018: Known for innovative solutions, Kohler Co., a global leader in the design and manufacture of kitchen and bath products, announces the launch of its first Tech Centre in India. With the Tech Centre located next to its state-of-the-art manufacturing facilities in Jhagadia, Kohler reinforces its innate ability to stay ahead of the curve by adapting to business and consumer needs. The facility will primarily display latest product designs and take the various stakeholders through the process of manufacturing products that Kohler takes pride in. Kohler has invested more than USD 200 mn in India so far.

The facility was inaugurated by Larry Yuen, Group President – Kitchen & Bath for Kohler Co. and Salil Sadanandan, President - South Asia, Middle East & SSA at Kohler Co.

The Gujarat Tech Centre is designed in such a way that it shares Kohler's rich legacy of innovation and design with, be it customers, business associates or new employees being inducted. There will also be a mock up zone to showcase Kohler's product's superior functional performance.

Commenting on this launch of the Tech Centre, Salil Sadanandan, President - South Asia, Middle East & SSA at Kohler Co said, *"Kohler has always been at the leading edge of design and Innovation in the bath and sanitary ware industry. This new Tech center allows us to display some of our iconic product ranges manufactured here in India. It also showcases the manufacturing processes and the stringent testing procedures that each product manufactured in the India plant has to undergo, enabling us to uphold the single level of quality standards which KOHLER products are known for across the globe."*
