WELCOME TO KOHLER®

We're celebrating **152** years of setting the standard of excellence and pushing the limits of design. Whether we're creating kitchen and bath products, tile and furniture collections, engines and generators, or four-star resorts and championship golf courses, our work is born from a desire to design experiences that make the world more gracious.

After four generations, we remain a family-owned company. Bolder than ever.

BATHROOM

THE

The edge between where we are and where we are headed, the space where daily life stretches forward to possibility, and the moment between what has been expressed and what needs to be said – this is where design lives and trends begin.

At Kohler®, these are the places we live to explore, the potential we work to shape, and the vision we bring to life. We are delighted to share the latest evolution of current and emerging trends that we've identified as the most compelling for bathroom spaces. Enjoy!

A close-up photograph of a hand holding a piece of orange, ruffled fabric. The background is a bright, out-of-focus window, creating a soft, warm glow. The hand is positioned in the center-right of the frame, with fingers slightly curled around the fabric. The fabric has a delicate, ruffled texture and a vibrant orange color. The overall mood is artistic and elegant.

TRENDS

ModernLife Edge™ toilet & Kankara™ vessel in white, Fluence™ faucet in french gold & Vitality™ lighted mirror.

SYMPHONY OF GRANDEUR

Luxury climbs a notch in this stunningly designed bathroom that sports a décor oozing heat and mystique, with beautiful gold accents lifting the look. Sapphire Sangria red walls with polished Satuvrio marble exude opulence, while the white penny tiles in the showering area lend a soft touch of minimal sophistication. The geometrical black & white flooring lets the gaze travel a wider area, making the space look bigger while creating a rich symphony of black, white and red.

Veil® toilet and vessel in white, Ming mirror, Avid™ faucet & Statement™ showering collection with Anthem™ valves in matte black

OPULENCE MEETS INTELLIGENCE

Drawing inspiration from monochrome aesthetics, this look tastefully harnesses a dark colour scheme and ambient lighting to exude a dramatic aura. An icy blue epoxy vanity counter and deep grey textured walls and flooring spark further intrigue.

Crafted with convenient features and innovative technology, Kohler's range of intelligent bathroom products is ideal for this luxurious bold theme, whether it be the Ming mirror and Veil® intelligent toilet or the Statement™ showering system. Transform your personal space into a mysterious masterpiece.

THE BEAUTY OF EDGE

Playing with a teal, gold and white colour scheme, the skillful juxtaposition of Kohler's Peacock ModernLife Edge™ basin and toilet with french gold fittings and fixtures amidst a serene, white backdrop creates a contemporary ambience that's powerful and clean. Statuario marble cladding on the walls, American oak floor tiles, and refined metallic trims further enhance this minimalistic look. An oblong gold framed Kohler® mirror and ergonomically designed splash-free vessel radiate class and elegance, while an elongated counter with open shelves gives a sense of free-flowing space that's inviting.

ModernLife Edge™ toilet & vessel in peacock, Essential™ mirror in moderne brushed gold, ModernLife Edge™ faucet & Statement™ showering collection with Anthem™ valves in rose gold

SIMPLE YET SPECIAL

A modern design that reimagines minimalism through the strikingly simple Brazn collection, every detail is deliberate and bold. A Calcutta marble grooved pattern adorns the walls, while penny tiled flooring elevates the look further. An easy-to-clean, seamless design offers a fluid use of space, whereas a floating Ming mirror set against a full-height window that overlooks the garden offers an asymmetric design twist pleasing to the eyes.

Brazn toilet & vessel in white & Parallel™ faucet in polished chrome

ModernLife Edge™ suite designed by Sanjay Sareen, Eternity Architects

DESIGNED
TO INSPIRE

Design embodies Kohler's dedication to innovation through a blending of technology and art. We are on a never-ending odyssey to create inspiring designs that are engineered to the highest standards of quality and performance.

Kohler® toilets are designed keeping in mind how a person's bathroom is their sanctuary, a peaceful haven set apart from the frenzied pace of today's lifestyle.

Statement[™] showering collection in matte black

A BOLD STATEMENT

A classic pairing of white Lasa and Abu black marble on the walls, this statement bathspace is timeless. White and black hues offer a dynamic contrast that feels fresh, high-end and captivating. Exquisite materials, streamlined silhouettes, and matte black fittings make a dramatic statement. The Statement™ showering collection features soft, voluminous forms and drenching spray experiences to elevate your moments of well-being through luxurious flair.

ModernLife Edge™ toilet & vessel in peacock & Aleo+™ faucet in matte black

TEAL TRANQUILITY

Step into your own private retreat—where clean lines, muted tones, and thoughtful finishes come together in quiet harmony. The soft green shower glass and wall panels set a calm, contemporary tone, while vertical textures add subtle depth to the backdrop.

The floating wood vanity introduces a warm, organic contrast to the cool palette. Kohler's ModernLife Edge™ vessel and toilet in a bold peacock finish become striking focal points, effortlessly balancing function and form. Matte black accessories tie the look together, adding depth and definition to this streamlined aesthetic.

ECCENTRIC POWDER ROOM

This eccentric design complimented by the Statuario marble cladding on the walls and vanity counter is the perfect rendition of luxury and harmony. When paired with hexagonal matte pink mosaic tiles, it adds an extra dimension to the design. The herringbone pattern flooring with a contrasting grout color highlights the unique design and the magnificent crystal chandelier adds a touch of drama to the entire space.

ModernLife Edge™ toilet & vessel in thunder grey & Avid™ faucet in matte black

INDIGO CHARM

A glamorous and edgy reimagination of your bathroom, a splash of indigo in the Vive™ Suite adds a dramatic touch to your bathroom. The Vive™ range of products embody the art of expression through high-end sophistication. A graceful contrast of magnificent indigo hues within a realm of classic grey and white textured walls reflects a polished personality. Utility and modernity are balanced perfectly in this space through royal shades and with fluid design.

Vive™ toilet & vessel in indigo & Vive faucet in french gold

UNMATCHED HYGIENE

Striking, earthy and bold – this monochromatic design turns any space into a luxurious, high-functioning bathroom. The neutral colour tones and natural textures make the bathroom feel very grounded yet stylish. The Hewn stone look of the walls and floor dial up the style factor. This is complemented perfectly by Kohler's matte black fittings, and the fluid shape of the Kankara basin. The Trace™ wall hung with its smooth uninterrupted design ensures no hidden dirt traps and the PureWash™ attachment offers a superior intimate cleansing experience.

Trace™ toilet with PureWash™, Kankara™ vessel in white & Fluence+™ faucet in matte black

AWARD-WINNING INNOVATION. TIMELESS DESIGN.

Kohler's commitment to design excellence has been recognized globally with prestigious accolades, including the iF Design Award, Red Dot Award, Good Design Award, and CII-WDO Award. These honors celebrate our dedication to innovation, craftsmanship, and aesthetic brilliance.

From cutting-edge technology to artistic mastery, every Kohler creation seamlessly blends innovation, functionality, and timeless design. Experience award-winning designs that redefine luxury and performance, setting new standards in bathroom and kitchen solutions.

MAKE ANY BATHROOM SMART, INSTANTLY.

DID YOU KNOW?

Simply add PureWash™ Electronic Bidet seat and Summon touchless faceplate to make your bathroom truly smart.

CLEANSING

Integrated bidet functionality redefines our idea of cleanliness. An in-tank water heater warms the water while dual wands provide a soft, aerated wash in posterior and anterior positions. A touch on the keypad is enough to control rate and temperature of water flow. Veil® Rimless Wall hung ensures cleanliness of the bowl.

COMFORT

Based on human factor testing and ergonomics, the side panel is smartly designed in a way that it doesn't get blocked by the user's thigh, and one doesn't need to turn or twist much to see it. Other thoughtful features include remote with night light sensor, energy-saving function and Quiet-Close™ lid and seat.

CONVENIENCE

The Smart Toilet C3-150, C3-230, PureWash E910 and E880 seats offer benefits far beyond traditional plumbing, with heated seating and a selection of water temperature and flow settings. An elongated bowl provides additional comfort.

THE KOHLER® STYLING SPACE ADVANTAGE

Explore elegant new ways of personalised style with innovative designs and superior materials.

- Coordinated Design
- Colours by Kohler
- State-of-the-art technology

COORDINATED DESIGN

Build a single, distinctive style for total harmony in your bathroom.

COLOURS BY KOHLER®

Create a striking contrast in your space through the skillful pairing of colours and textures. Let the vibrant Peacock, the smouldering Thunder Grey, the incredible Indigo and the enigmatic Matte Black elevate your bathroom.

BEGIN WITH THE FINISH THAT SPEAKS TO YOUR STYLE

From brooding beauty to lustrous warmth, add dramatic design elements to your kitchen and bath space. Begin with the finish that speaks to your style, and let the story unfold.

DISCOVER YOUR STYLE

The following styling space guide will help you bring together the pieces to create a look and experience that fits your life.

SLIM IS IN

Supramic technology in vessels unleashes new possibilities in aesthetics by combining ultra thin edges and superior strength.

GO WITH THE GLOW

With a high lumen output and ideal placement in relation to the face and body, our lighted mirrors eliminate harsh shadows and provide bright, even task lighting.

FUNCTIONALITY MEETS STYLE

Studded with cutting-edge features, mirror cabinets combine intelligent storage and contemporary aesthetics to transform your décor with a look that is meticulously co-ordinated and built to outlast trends.

ORGANIZE YOUR OASIS

Superior material quality with HDHMR (High Density High Moisture Resistant) ensures higher strength with moisture & termite resistance.

THE KOHLER® HD MIRROR ADVANTAGE

Our feature packed mirrors add style and function to your bathspace.

ILLUMINATION

Kohler® mirrors offer integrated task lighting to maximize your visibility in the grooming space.

DEFOGGER

Ensures clear reflection & visibility even in high humidity.

TOUCHLESS SWITCH

Turns ON and OFF with a simple wave of the hand.

BLUETOOTH SPEAKERS

Tune into your favourite music or podcast as you get ready.

DIGITAL CLOCK

Organize routine efficiently with time display.

BRIGHTNESS ADJUSTMENT

Adjust brightness effortlessly with specular illumination touch.

TAILOR YOUR ROUTINE WITH LEDS

Match every activity with three colour temperatures.

PROXIMITY SENSOR

Turn lights ON or OFF from a distance (manual mode also available).

WASH BASINS

At Kohler, we offer everything you need to create a stylish, functional and efficient basin area. Whether you are looking to make a statement in a petite powder room or needing an efficient space where you can speed through morning routines, we have it all.

EVALUATE YOUR SPACE

Depending on the amount and nature of space you have, go for a with counter or without counter look.

WITH COUNTER

Make an elegant statement with the counter of your choice.

WITHOUT COUNTER

Minimalist and neat, reduces cost and installation effort.

CHOOSE YOUR INSTALLATION TYPE

If you have the space, go for a counter for a truly luxurious experience. You may choose from the following options:

WITH COUNTER

VESSEL

Vessel sinks sit on top of the counter and a touch of eye catching luxury.

SELF RIMMING

Featuring a lip that sits on the countertop, they are easily retrofitted and are ideal for remodeling.

UNDER-COUNTER

Mounts beneath the counter to create a seamless counter to bowl transition and are easy to clean from counter to bowl.

SEMI-RECESSED

Allowing for space to install cabinets, these are an ideal solution for small bathrooms.

If your bathroom is compact choose from the following options:

WITHOUT COUNTER

VANITY TOP

Create a harmonious look with Kohler® vanity tops that come with matching vanities.

FULL PEDESTAL

Ideal for a small space or powder room, the narrow base saves floor space.

HALF PEDESTAL

Combine versatility with ease of cleaning to create a sleek aesthetic.

WALL MOUNT

Directly mount these on the wall to create a streamlined look with great space savings.

CHOOSE YOUR BASIN

1. PICK A STYLE

Pair different basin shapes with the perfect faucet to create a stylish space.

EXPRESSIVE

GEOMETRIC

2. CONSIDER THE SIZE

Complete your bathroom with thoughtfully designed and durable basins that come in a variety of sizes to fit your space.

Colours by Kohler | Array of styles and finish options

FAUCETS

The design and detailing of your bathroom is something that can bring you pleasure everyday; it is not a place for compromise. Kohler® offers an inspiring breadth and depth of faucets for basins, bath and shower applications. Ceramic disc valving and flexible stainless steel supplies, along with an array of styles and finish options, allow homeowners to complete their bathrooms with confidence.

CHOOSE YOUR FAUCET

CHOOSE YOUR INSTALLATION TYPE

DECKMOUNT

Deck mount faucets can be mounted on either the basin or the counter. They usually have one handle connected to the spout. Easy to install and easy to use, a single lever controls water flow and temperature. If it's a deck mount basin, choose between tall and normal faucet basis the basin's selection.

WALLMOUNT

Wall mount faucets have a spout and one handle mounted on the wall above the sink. They reduce clutter on the basin and make cleanup easier.

CHOOSE YOUR HEIGHT

STANDARD

Compact and easy to use, it's a great option for smaller spaces.

TALL

Tall enough to fit over a vessel sink and allows water to gracefully cascade directly into the sink.

CHOOSE YOUR FINISH

Polished Chrome, Brushed Bronze, French Gold, Rose Gold, Matte Black, Brushed Rose Gold.

THE KOHLER® FAUCET ADVANTAGE

Exceptional performance | Fluence™ single-control tall lav faucet without drain in brushed rose gold (K-38887IN-4ND-BRD)

LIFE-BRIGHT

Finishes that last 2 times longer than industry standards*, made stronger with 3 layers of coating.

CLICK-50

Eco cartridge that saves 50% of the water through an intermediate stop in the faucet lever.**

PVD TECHNOLOGY

Available with the Vibrant Collection, Physical Vapor Deposition technology offers a range of unique finishes with a 12-year residential warranty.

VERSATILE FAUCET HEIGHT

Faucet options available to perfectly combine with wash basins, vessels, countertop, etc. to suit your needs.

SAFE TOUCH

Protective shell ensure that the faucet is safe to touch.

EASY CLEAN SURFACE

The faucet can be wiped clean with only a wet cloth to get a sparkling finish.

* Tested against acetic acid salt spray that's 8X powerful than industry standards

KOHLER® UNIQUE EXPERIENCE

EFFERVESCENCE TECHNOLOGY

A series of ports, optimally located, distributes champagne-like bubbles that comprises of the perfect combination of air and water, allowing them to cling to and caress your skin. The result is a sublime, all-encompassing experience.

RIVERBATH™

Available on select models, a factory-installed pillow with two integral neckjets pulses alternately from left to right for a stimulating, stress-relieving massage at the back of the neck. Customize your experience by adjusting the pulse and water flow to your level of comfort.

WHIRLPOOL JETS

Kohler® whirlpool jets are individually adjustable to target specific areas of your body. Delivering the optimal mix of air and water, they fully adjust the water flow intensity and directional control.

VIBRACOUSTIC™

Kohler's VibrAcoustic™ technology brings personalized hydrotherapy to select Kohler® baths, for a sensual experience unlike any other. Hidden speakers emit sound waves that envelop and gently resound within the body. Choose a soothing spa session with built-in compositions, unwind to your own music playlists, or catch up on news and podcasts.

Here's a closer look at the technology systems that drive Kohler® hydrotherapies. Each of these technologies has been developed by our own design and engineering teams to bring you the best options and experiences in Hydrotherapy.

BACKJETS

Available on select models, the Bodymassage backjet system, featuring ten Kohler® backjets, loosens tension throughout the back and shoulders and encourages deep breathing. Our backjets fire two by two, targeting the lower back first and moving all the way to the shoulders. In this way, our backjets simulate the natural progression of a hands-on massage.

CHROMATHERAPY

A colour experience designed to enhance bathing, this eight-colour spectrum washes over the body in a repeating one-minute sequence or may be programmed to rest on any one of the colours, to help create a soothing or energizing ambience.

BUBBLEMASSAGE™ AIRJET DESIGN

This proprietary design ensures comfortable and consistent bubbling action, making Kohler® BubbleMassage™ the ultimate air bath experience. The 360-degree staggered airjet design, along with targeted foot and lumbar airjets, delivers a full-body massage.

Tailored to your preferences

ENHANCE YOUR COMFORT

We offer various accessories to make your bathing experience even more relaxing and tailored to your preferences. A pillow and footstop provide added comfort and are available in the most popular Kohler® colours. Bath and whirlpool trim options, drains and under-mount installation accessories allows you even more flexibility for customization.

REMOVABLE PILLOWS

The optional pillow (K-1491) provides a comfortable addition to any Kohler® bath, whirlpool or BubbleMassage™ air bath. Suction cups hold the pillow firmly in place, yet allow it to be removed easily for cleaning.

REMOVABLE FOOTSTOPS

An optional footstop (K-1601) can be placed at the base of the feet or under the thighs to comfortably adjust your bathing position in larger baths. It coordinates with any Kohler® bath, whirlpool or BubbleMassage™ air bath.

CLEARFLO SLOTTED OVERFLOWS

Kohler® offers you a wide array of features, including the Clearflo slotted overflow drain that affords up to an additional 38mm of water depth. Recommended overflow/drain combinations for each bath are listed in the feature charts. To view our complete selection of drains, visit us at KOHLER.com

ELECTRONIC CONTROLS

All hydrotherapy features may be independently controlled with ease. Some models include a lighted keypad and floating remote control to add further customization and convenience.

ELECTRONIC DRAIN

Completely modular, PureFlo rough drains let you choose from a basic rotary-handle trim kit or contemporary, traditional and Victorian designs with rotary and push handles. At any point in the life of the drain, the trim can be changed without accessing plumbing behind the bath or wall – perfect for remodeling. Rough drains and trim kits are sold separately.

WHIRLPOOL

PROFLEX

With precise positioning and intensity-adjustable jets that deliver powerful directed massage, Kohler® whirlpools are engineered to maximize the unique benefits of hydrotherapy.

SPA EXPERIENCE

Whether you are in the mood for soothing relaxation or an invigorating hydro-massage, Kohler's breadth of products, features and options will transform your bathroom into a personalized retreat.

THOUGHTFUL DESIGN

Kohler® delivers an extensive array of unique hydrotherapy experiences and styles - antique to contemporary, luxurious to minimalist - that can be customized to suit your experiences.

DISTINCTIVE FEATURES

Streamlined Nozzles: Newly upgraded nozzles, bring safety and comfort to you with its only 3mm height, that you cannot feel it.

Intelligent Cleaning System: The pipes are designed to purge the water completely, preventing residual water and breeding of bacteria. A manual cycle can be activated at the touch of a button to quietly purge residual water from the air channels. An automatic cleaning cycle is activated about 30 minutes after each use. Kohler's strict quality inspections ensure product safety.

Personalized retreat

IDEAL WHIRLPOOL AIRJETS

With bi-directional air jets and a unique swirling bubble effect, you experience a relaxing massage with the consistent flow of air and water pressure.

FLEXJET TECHNOLOGY

Flexjet whirlpool jets are individually adjustable to target specific areas of your body. They adjust 360-degrees for intensity level and 60-degrees for direction, and deliver the optimal mix of air and water.

DESIGNED FOR HYGIENE

The pipes are positioned and designed to conduct a complete purging of water, preventing residual water and bacteria breeding. Strict quality inspections were conducted on the pipes to ensure usage safety.

INTEGRATED WHIRLPOOLS

Kohler® integrated whirlpools provide bathers ease of use by pre-installing the faucet, bath apron and bath drain before delivery. This saves the bathers time for finding complementing fittings for the whirlpools.

DUAL MASSAGE SYSTEM

In addition to bi-directional air jets, select Kohler® whirlpools also come installed with effervescence air ports.

WATERPROOF REMOTE CONTROL

Select models come with a waterproof remote control which adds further customization and convenience.

BATH FILLER

Our expanded offering of bath fillers comes in a range of styles. Based on your bathroom's configuration you could choose from a freestanding, floor mount bath filler or deck mount bath mixer.

Economize on space

FLOORMOUNT BATH FILLER

- Features an integrated handshower for added convenience
- Single-handle models easily control water temperature and activation
- Bath fillers carry water up from the floor, keeping the bath's deck uncluttered

DECKMOUNT BATH FILLER

- Simple and intuitive to use
- Ideal for under-mount and drop-in installations
- Deck mount faucets can be installed onto a stone or tile deck, or often onto the bath's surface

BATH SPOUT

- Conceal piping behind the wall, making only the bath spout and controls visible
- Keeps deck uncluttered for a clean look

Anthem™ valves & controls

WHICH VALVE SYSTEM IS RIGHT FOR YOU?

Once you've determined your desired showering experience, it's time to think about how you want to control your shower. There are several options available that allow you to create the perfect showering experience, controlled exactly the way that suits your needs.

DIGITAL THERMOSTATIC VALVES

For the ultimate in clean design, functionality, performance and convenience, Digital Valve Systems are unmatched. Comprised of a digital thermostatic valve and an intuitive, easy-to-operate digital interface, these systems invite you to create a personalized sensory experience. Whether you're looking for a basic digital system or a truly customizable solution with options for music, lighting, steam and spa experiences, Kohler® has a solution for you.

- Anthem+™ takes your daily shower ritual to another level with pre-programmed spa experiences that harness the power of water, music, and steam to take you worlds away with up to 12-outlets.
- Easy to set default and maximum shower temperatures - great solution for the young and old.
- Ability to add a second interface outside the showering space for remote operation
- Warm-up feature brings your shower up to temperature, pauses the flow and lets you know it's ready to use.
- Anti-scald protection feature.

Range includes Anthem+™ and Anthem™

MANUAL THERMOSTATIC VALVES

If you want to take a basic shower to the next level, a Thermostatic valve is the choice for you. Once you set the temperature, the valve automatically maintains your set temperature and is perfect for all applications from a basic bath/shower to more elaborate custom showers. With Kohler's premium in-wall valve system, you can build your own luxurious home spa with 2 to 7 outlets for a total body showering experience. Thermostatic control ensures a constant temperature.

Range includes Anthem™ and Autosense+.

MANUAL VALVES

Our range of Manual valves puts you in control of your needs. With intuitive functionality that is based on user experience, these are designed for a satisfying showering experience. Working in precision behind the scenes to deliver performance year after year.

KEY FEATURES

- Durable ceramic cartridges for lasting performance and ensuring that debris get crushed during valve operation
- Option of a 3-way diverter, any 2 of which can run together offering total indulgence
- Provides greater design flexibility
- Available in vibrant finishes
- Have undergone rigorous testing
- Corrosion-resistant

SHOWER ENCLOSURE UPGRADES

A magical range of Glass Patterns – featuring Lattice, Tryst, Mizzle and Tangle – makes Kohler® Shower Enclosures a stunning addition to the bathspace. Styled to the latest trends, they are available in a variety of upgrade options.

LATTICE

Geometric lines pay tribute to latticed screens from traditional Indian architecture and bring this art-form into the contemporary bathroom

TRYST

The playful interaction of shapes creates transition and movement in your shower space

TANGLE

Intertwining lines dancing on the glass door add an artistic edge to your shower space

MIZZLE

Featuring asymmetric falling lines, the mizzle pattern enshrouds you with poetic imagery of mist and rain

OTHER GLASS OPTIONS

Give your bathroom an unmatched look with a variety of glass options designed for a great showering experience.

FROSTED

It's stylish, easy to clean and lets you enjoy your shower in total privacy.

CRYSTAL CLEAR

Makes your bathspace appear bigger, adds brightness to the ambience and is timelessly trendy.

SAFETY/LAMINATED

Glass with additional safety features that make it less likely to break and less likely to pose a threat if broken.

FITTINGS

Fittings ensure the optimal performance of your mixers and fixtures. With a wide offering of fittings you can now complement your bathroom with exclusivity and matching style.

KITCHEN

Kitchens bring us together. It's where we gather for easy conversations over shared dishes with people we enjoy. It's also where life can get messy. So today's kitchens need to do double duty—not only be inviting and comfortable but also help minimize the mess. At Kohler, we design for both.

Whether you're looking to make the most of your space or keep everything neatly organized, we have beautiful solutions to meet your needs. From touchless faucets to innovative sprays and from sleek big bowls to stackable accessories, Kohler kitchen products are designed to help you create a kitchen that works smarter, so you can focus on what matters most.

COMMERCIAL PRODUCTS

Kohler® commercial products deliver style and performance that endure. Whether you're offering plumbing products for institutional, or for hospitality applications, Kohler® is your source for hard-working fixtures and faucets of exceptional quality and singular beauty. Our full commercial line includes ADA-compliant toilets, basins, urinals and Touchless™ bathroom faucets in a wide range of coordinated design and installation options.

Span square urinal with rear inlet in white (K-26474IN-ER-0) with Patio® urinal sensor with AC adaptor (AC+DC) and flushing adjustable in polished chrome (K-24199IN-C03-CP)

CHOOSE YOUR URINAL

Kohler® has developed a urinal offering that raises the bar on design and water conservation. Here are a few features of Kohler® urinals to look for as you browse the product portfolio.

CHOOSE BETWEEN TOUCHLESS™ AND REGULAR

TOUCHLESS™

From the Bardon™ Touchless™ urinal featuring an integrated sensor to a wide selection of urinals that combine with Kohler® Touchless™ flushometers, our touchless solutions ensure dependable water savings and added hygiene.

REGULAR

For projects that require flushing urinals, Kohler® manufactures urinals in a range of lpf platforms, from water-saving 0.47 lpf to standard 3.8 lpf. We offer a number of flushing styles, including washout, blowout and siphon-jet systems.

URINALS

Kohler® urinals are equipped with excellent water-saving function and cleaning efficiency. Different designs are available for matching with other Kohler® sanitary products.

KOHLER[®] COMMERCIAL FAUCET ADVANTAGE

To help you specify the best Kohler[®] faucets for your commercial or hospitality enterprise, we've outlined some of the key features that make Kohler[®] best in class.

KINESIS[™] TECHNOLOGY

In traditional IR sensors, the sensor range can be affected by the environmental distortions such as color or the texture of the object. Kinesis[™] technology with concealed sensor allows for a clean aesthetic and provides extraordinarily accurate and reliable actuation in varying installation environments. Additionally, Kinesis[™] sensor technology offers on-demand detection for maximum water savings.

INSIGHT[™] TECHNOLOGY

Improved over traditional infrared sensors that rely on fixed settings and may misread environments, Insight[™] technology features an adaptive infrared sensor that has the ability to analyse the surrounding area once installed. After recording these details, Insight[™] is able to calibrate the sensor to filter false triggers and optimize the faucet's operation.

MANUAL CONFIGURATIONS

In addition to Touchless[™] faucets for commercial applications, we offer manual faucets in a variety of configurations, including wall mount, widespread, centerset and single-handle, to accommodate any number of bathroom designs and functionality needs.

Care and cleaning guidelines for Chrome and Vibrant® PVD colours /finishes – Sanitaryware, Bathroom Furniture, Faucets and Bathing Products

Though Kohler cabinets are resistant to water and humidity but protection from water and humidity will increase the life of the product. Therefore, take care of the product as below:

- As with any furniture with wood fiber panels, an overly-high level of humidity may damage the product. All furniture must be installed in a well-ventilated bathroom.
- Always use a shower door or curtain and wipe off splashes immediately.
- Any product likely to come into contact with water should be protected with a silicon-based seal product (i.e., in places where the product comes into contact with a tiled floor or is against a tiled wall). Wipe off water splashes immediately.
- Dry off excess moisture with a towel or soft cloth, taking special care with the furniture edges.
- Do not leave a damp towel on the furniture. This could damage the product coating and cause mold or bacteria to proliferate.
- Recent stains or food stains: Clean with a soft cloth dipped in soapy water; then dry with a soft cloth.
- Avoid accumulation of water; also avoid frequent spillage of water.
- Always test your cleaning solution on an inconspicuous area on the product before applying it to the entire surface.
- Do not allow cleaners to sit or soak on the product.
- Wipe surfaces clean and rinse completely with water immediately after applying cleaners.
- In the rare occurrence of stubborn stains on Cast Iron surfaces, use abrasives or abrasive cleaners sparingly.
- Clean stainless steel surfaces once a week. Do not use cleaners containing chloride on stainless steel. If used, rinse the surface immediately to prevent corrosion.
- Wherever gold or platinum is used on decorative products, use only warm water to clean and then dry with a soft cloth.
- Use a soft dampened sponge or cloth to clean, never use abrasive material like a bristle brush or scouring pad.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.
- Use a mild detergent (such as dishwashing soap). Do not use abrasive cleaners.
- Rinse and be sure to wipe the entire surface dry.

The ideal cleaning technique is to always blot dry any water from metal surfaces. Allowing water to evaporate on metal will form water deposits. It is important to use a dabbing action to dry metal, not an abrasive or rubbing action. Cleaning with a damp sponge and buff drying should keep your faucet safe.

SHOWER ENCLOSURES WARRANTY TERMS & CONDITIONS

Kohler India Corporation Pvt. Ltd. ("KOHLER India") shower door enclosures ("Product") are warranted to be free of defects in the material and workmanship for the period of 5 years, commencing from date of sale of Products to the original purchaser ("warranty period").

During the warranty period if (in the opinion of Kohler India) the defect in the products is due to defect in the material or workmanship, Kohler India or its Authorized Service Franchisee/Representative will, at its sole option, repair or replace it free of cost, any defective component or part of the products, subject to the terms and conditions described below:

1. Kohler India or its Authorized Service Franchisee solely can service/repair the Product. Kohler India and its Authorized Service Franchisee will repairs or replace the products under this warranty within a reasonable period of time, as determined by Kohler India or its Authorized Service Franchisee performing the repair or replacement.
2. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.
3. This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octroi or other local taxes assessed to the parts supplied or repaired during the warranty period.
4. This warranty shall automatically terminate upon the expiry of the warranty period even if the Product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.
5. In the event of any repairs/replacement of any parts of the Product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty. Any time consumed for the repair/ replacement of parts including transit of the Product or its parts or any period during which the Product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted.
6. This warranty remains applicable only if the Product has at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled. Reckless handling of the Products automatically terminates and nullifies this warranty. This warranty does not cover problems arising from excessive water impurities or improper care and cleaning. Guidelines for proper care and cleaning are mentioned below. Kohler is not responsible for labor charges, installation or other incidental or consequential costs. Kohler is not responsible or liable for any special or consequential damages due to the defective Product, or due to defects of any component or part thereof. In no event shall the liability of Kohler India exceed the purchase price of the Product. Improper care and cleaning will void the warranty.
7. In the event of non availability of components or parts due to any reason whatsoever, neither Kohler India nor its Authorized Service Franchisee nor the Dealer will be responsible or liable for any delay that may be caused to service/repair of the Product. In the event that the same model or colour is not available for replacement, Kohler India or its Authorized Service Franchisee will replace the defective Product with an equivalent model or colour.
8. Kohler India may, at its discretion, retain any part or component replaced during the warranty period.
9. For Shower Enclosures sold in India, only this Warranty document is applicable. Any reference to any other warranty document will not be considered.
10. This Limited Warranty does not cover:
 - Claims for loss of use / inconveniences due to any damages caused by lightning, fire, flood, accident, negligence, misuse.
 - Product that has been damaged due to installation, repairs, alteration or modification by unauthorized service organizations or persons.
11. Clean Coat application provides the water to form as individual droplets on glass surface which enables cleaning of glass easier in comparison to normal glass. Recommended cleaning of glass surface with a soft cloth after every use.
12. Glass being a fragile item will not be covered under warranty.
13. Kohler India reserves the right to amend the terms and conditions if necessary.

This is Kohler India's exclusive written warranty. The decision of Kohler India regarding the warranty is final and binding. All disputes are subject to the exclusive jurisdiction of the courts of Gurgaon only.

Care and cleaning guidelines

- Do not use commercially available cleaners on the glass surface. Commercially available cleaners typically have acidic content which deteriorates the Clean Coat life and performance.
- Wipe glass surface only with water or mild soap solution and wipe with soft cloth.
- Use a soft, dampened sponge or cloth to clean. Never use abrasive material like a bristle brush or scouring pad.
- Clean hardware surfaces once a week with water and soft cloth. Do not use cleaners containing chloride. If used, rinse the surface immediately to prevent corrosion.
- Do not use oil or grease on the hinges, pivot and sliding rails.

Notice: Failure to comply with these cleaning instructions may void Kohler's warranty obligations.
